PROJECTS

The Truth Behind – Full Game Script (Personal Project)

In Progress

- Developing a third-person action RPG game script, including gameplay style, mechanics, story, level design and characters.
- Acquired skills in game scripting and strategic planning, integrating game development and design principles into the writing process.
- Conducted research on historical events, drawing insights from world history, biblical texts and demonology literature to enrich game narratives.

Sk8 Escape (Academic Project)

Jan 2024 - May 2024

- Collaborated with a 4-person team to design and develop an engaging endless runner game in C#, featuring a skater navigating a city while evading law enforcement.
- Enhanced teamwork skills by taking on leadership responsibilities, effectively coordinating tasks and deadlines for team members.
- Led playtesting sessions to gather player feedback, implementing insights to refine gameplay mechanics and enhance user experience.

EXPERIENCE

Voratte Procurement & Sourcing (Internship)

Louveira, São Paulo

Supply Intelligence Assistant

Jan 2023 - Aug 2023

- Created customized reports to update clients on employee progress in courses, while translating material from Portuguese to English and developing presentation slides focused on AI and on the Procurement area.
- Utilized conversational AI to simulate client interactions, enhancing workflow and gaining insights into Procurement and Sourcing practices.
- Collaborated with large organizations to elevate employee performance in Supply Chain, Procurement and Sourcing functions.

Changeling VR (Internship) - [Changeling VR - A Narrative Mystery](#)

May 2025 – Aug 2025

- Developing a first person mystery, fantasy game in which the player steps into the role of a detective Aurelia Walker. In which she has the power to see the memories of others, walk through their dreams, and uncover the truth that lies hidden in the shadows.
- Strengthening game scripting skills and strategic planning techniques, while effectively integrating game development and design knowledge into the writing process.
- Recording voice lines, writing, rewriting and supervising script writing for multiple different levels of the game while keeping the tone and gameplay characteristics to make the story more impactful for the player.

VOLUNTEER ACTIVITIES

Bancada Solidária Taquaral, Volunteer

Jan 2021 - Jul 2023

- Built basic food baskets, with simple and essential food for families in necessity. Deliver the baskets. Assisted the social media with supervising and approving posts.
